APRIL 17 TO AUGUST 28, 1944.

"What would I get out of a Listening Group?"

1. The chance to say what I think and to hear what other people have to say.
2. Meet once a week people who have similar interests and talk about worthwhile things.
3. The opportunity to clarify my ideas about important community problems.
4. Improve my capacity to take an active part in making democracy work in my town, in my State, in Australia.

MONDAYS	8.10 P. M.	S. A. T.
MONDAYS	8.40 P. M.	W. A. T.

Why Form a Listening Group?

1. To discuss important social problems.
2. To test the validity of one's ideas against those of others.
3. To learn to act as a citizen.
4. And so to make the community a better place to live in.
